SIR,

In forwarding herewith copy of letter No. Camp 388 dated the 19th June 1934 from the Executive Engineer, Bangalore Division suggesting the opening of District Fund Tollgates on the marginally noted District Fund Roads as there are none for the present, the realisations from each being earmarked for the improvement of the respective roads, I have the honour to state that the subject was placed before the Board at their meeting held on 5th September 1934, and it has been resolved that Tollgates may be sanctioned on the roads under reference. A copy of the resolution is enclosed herewith.

1) Kolar Sompur Road,
2) Devanahalli-Dodballapur Road,
3) Nelamangala Dodballapur Road.

As the District Board is spending very heavily on these roads, it is but right that the Board should get some return to meet this high expenditure and the establishment of Tollgates will not be a great hardship to the Ryots who pass the gates as these are the first of their kind, but on the other hand will tend to improve the roads by earmarking the proceeds for the purpose.

On receipt of the sanction of Government for the establishment of the Tollgates on the said roads, the places as to where the Tollgates should be established will be

be settled in consultation with the Executive Engineer, if necessary. I request you to kindly obtain sanction of Government to the resolution of the Board at a very early date.

I have the honour to be,

Your most obedient servant,
V. Venkatappa
